SATYAM YADAV

Mechanical Engineering Undergraduate

+91 9650446219 satyamyadav_23me244@dtu.ac.in Rajeev Nagar extension , Delhi

ABOUT ME

Mechanical Engineering undergraduate at DTU with hands-on experience in demand forecasting and inventory analytics using Python, SQL and Power BI. Keen to build a career in supply chain planning and procurement, using data to improve inventory levels, reduce holding costs and streamline material flow.

EDUCATION

Delhi Technological University | 2023-2027

Mechanical Engineering

CGPA = 7.028

12th = 85.6%

10th = 93.8%

INTERNSHIP & PROJECTS

DRDO SSPL | Crystal Growth

Project : Delivery Performance & Seller Analysis – Olist E-commerce

Delivery Performance & Seller Analysis – Olist E-commerce | MySQL, SQL

- Designed a MySQL schema and imported ~100K orders across 9 relational tables, with data-quality checks for duplicates, nulls and inconsistencies

- Built KPI views for order cycle time, delivery delay and on-time delivery rate to identify delivery bottlenecks

- GitHub: github.com/satyam0404/ecommerce-sales-analysis

SKILLS

- Data & Analytics: SQL (MySQL), Python (Pandas, NumPy), Power BI, Machine Learning, Forecasting, EDA

- Supply Chain: Inventory Management, Demand Planning, Material Planning (basics)
